PROFILE

Hi, I'm Chirag — a full-stack developer with a love for crafting clean, engaging, and user-friendly web and mobile experiences.

While I enjoy working across the stack, my sweet spot is backend development, where logic meets code and systems come to life.

WORK EXPERIENCE

Appniche Technologies

2024-2024

Intern Backend Developer

I joined Appniche Technologies in the year 2024 as a backend developer. I have worked on projects like Eatofy(Restaurant Management POS), Crossplay Application(Personalized mobile application for managing gaming cafe).

SKZ Tech
